Goal

UX DESIGNER AND/OR WEB DESIGNER

To be part of a team with creative, boundary-pushing ambitions, a great respect for detail and organization, as well as a fondness of adopting new technologies and processes in interactive, web, and mobile design.

Experience

ASSOCIATE CREATIVE DIRECTOR // LGD COMMUNICATIONS INC. SEP 2007 → PRESENT

ACD role on agency interactive projects, from architecture to completion, in most cases directing production. Responsibilities include leading the creation of full websites, micro-sites, e-marketing campaigns and social media pages from concept through sitemaps and wireframes to layouts. Working closely with creative directors, as a lead role, on the expansion of LGD's interactive and social media department. Multi-Disciplinary employee with skills ranging from office-techie to ping-pong referee.
